Dear Nissa,

US Patent Application No. 10/056178
Caly Corporation

I write further to our exchange of e-mails on 19th and 20th February.

I did send an e-mail to Serge Plotkin, but he has not sent any reply. Accordingly, please proceed on the basis that he refuses to sign the documents. I believe that you have everything you require in order to deal with this.

As you know, the due date is **7th March**. Please confirm to me by fax or e-mail before that date that you have taken the necessary steps. Please send me a copy of the papers filed together with your invoice.

Yours sincerely,

Adam Flint
